MOS/LATMOV/MCC LOCATOR

Marine Corps Career Retention System

The mission of this web site is to assist the field CRS by making available the most current information regarding MOS requirements and MCC locations.

Disclaimer

The intended users of this Web Site are Marine Corps Career Retention Specialists (CRS). The two main purposes of this Web Site are; (1) to aid the CRS with identifying possible duty station choices, by MOS and MCC, for First Term and Career Marines; (2) to aid the CRS with identifying possible lateral move choices for First Term Marines, by using minimal scores. **Note: This is not a billet vacancy listing; it simply lists all MCC's where a particular MOS and Grade are rated. Also the MOS listings are not all inclusive, additional information on each MOS will still need to be retrieved from the**

MOS/LATMOV/MCC LOCATOR

Display MOS- This report asks for the MOS number and returns the entry that is present in the MOS LatMov Database. The Report can be customized.

Search MOS LatMov Database- This report uses the Grade and Scores supplied to search the database for matching entries. The results do not guarantee compliance with the MOS Manual. The resulting list of MOSs, if any, need to be looked over to ensure all requirements are met. The report can be customized.

Display Unit- This report asks for the MCC code and returns the entry that is present in the Staffing Goals Database. The report can be customized.

Search Staffing Goals Database- This report uses the Grade and MOS supplied to search the database for matching entries. The results do not guarantee vacancies in any way. The resulting list of Units, if any, need to be confirmed with the MOS's Monitor. The report can be customized.
